

Palmetto Panther Lacrosse

Dear Business Owner or Manager,

As a business person you know the impact good schools have on keeping our property values high and attracting quality customers to the area. One of the things that make a good school great is its athletic activities and clubs. These programs continue to increase in cost while funding levels from public school sources continue to decrease.

The Palmetto Panther Lacrosse Cub is a non-profit organization that represents more than 75 families at Palmetto Senior and Middle Schools. We are currently raising money to help defray the cost of participation for this year's participants, and enable more students to participate in the future. Currently, we receive absolutely no funding from the school.

We would like to offer you a unique opportunity to participate in helping to strengthen our community, while advertising your business at the same time. This fund raiser will help the current players meet the ever-increasing costs of participating in a club sport. We are looking for donations from local businesses to be offered as prizes and we are counting on you support. Please consider donating an item or service. Your donation will be tax deductible and your business will earn publicity and the gratitude and support of our Lacrosse families. If you can donate, please fill out the information below.

Yes, I can support the Panther Lacrosse Booster Cub with a donation of:

This donation is worth \$ \_\_\_\_\_ and has the following conditions \_\_\_\_\_

Business name and address: \_\_\_\_\_

Contact person \_\_\_\_\_ (attach business card if possible)

Thank you so much for you support.
